

# Joe Humpay

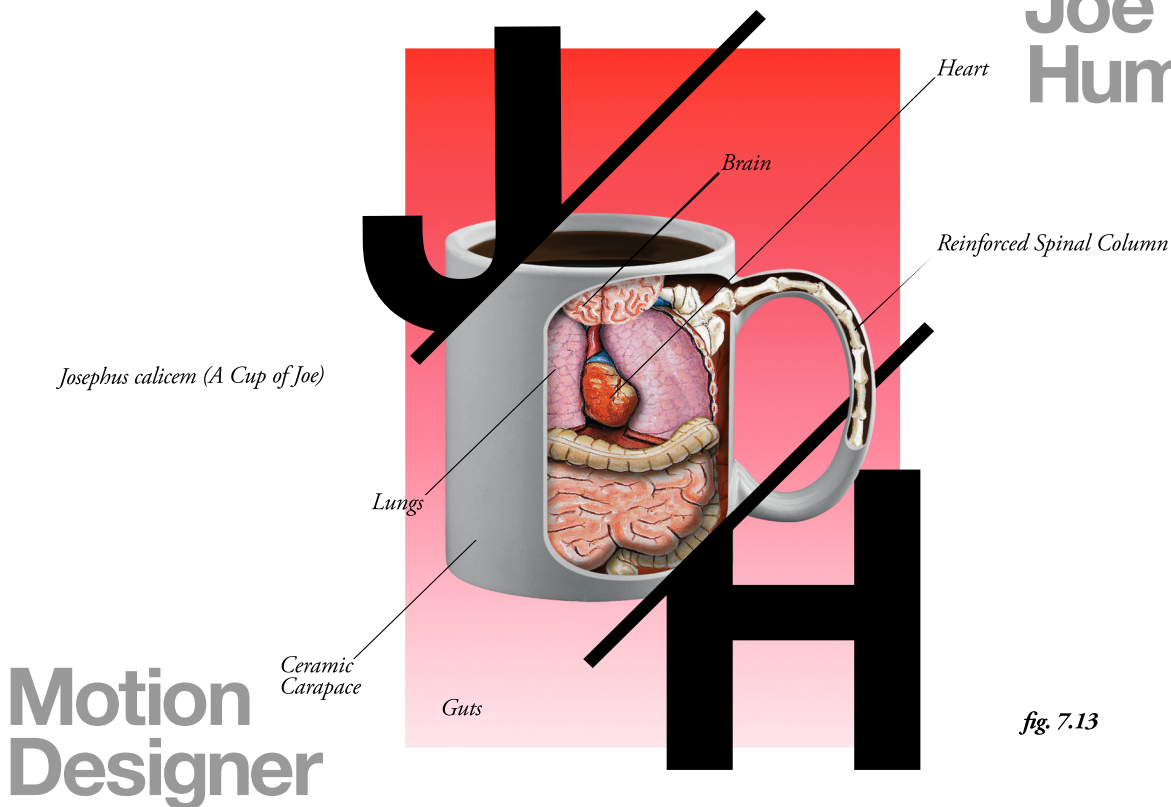

fig. 7.13

## Experience

### A Cup Of Joe

Freelance Designer

01/2010 – Present

Funny Or Die  
The Mill  
Nerdist Industries  
Geek & Sundry  
Legendary Digital Networks  
Mammoth Media LA  
Warner Brother Records  
ALLDAYEVERYDAY  
Virgin/Emi Records  
Capitol Records  
Universal Music Group  
Sony Music

Worked on a broad range of projects doing motion design, editing, and VFX for commercials, music videos, infographics, visual effects, compositing, and lyric videos.

### Funny Or Die

Lead Designer

01/2017 – Present

Provided art direction for branding of digital content. Lead freelance designers to completion of video projects. Worked with brands such as Coca Cola, Panera Bread, Cheeze-It, and Oreo to assure design needs are met.

### Legendary Digital Networks

Editor & Motion Designer

04/2015 – 08/2016

Worked with producers on a daily basis to edit original content. Provided design solutions to the post department. Collaborated with directors and crew on VFX best practices.

### Funny Or Die

Motion Designer

02/2017 – 12/2017

Provided animation and design solutions for ad campaigns, title sequences, show packages and visual effects. Aided in supervising production crew with green screen best practices.

### Film2Future

Summer 2017 Aid

04/2017 – 08/2017

Taught students editing and animation basics in Premiere and After Effects. Assisted students with day to day questions and helped guide students to complete summer projects.
